Dear Mr. Partychenko:

On June 1, 1988 an inspection of your facility was conducted by Randy Ballard representing the Illinois Environmental Protection Agency. This inspection was conducted in accordance with Sections 4(c) and 4(d) of the Illinois Environmental Protection Act: Ill. Rev. Stat. 1985, Chapter 111 1/2, pars. 1004(c) and (d). The purpose of this inspection was to determine your facility's compliance with the Illinois Environmental Protection Act and 35 Illinois Administrative Code, Subtitle G, Part 849: Management of Scrap Tires.

The attached inspection report specifies the date and time of the inspection along with other relevant information. Items numbered one (1) thru six (6) represent requirements established by the Illinois Environmental Protection Act and/or 35 Illinois Administrative Code, Subtitle G, Part 849.

Since, at the time of the inspection, none of Items 1-6 have been marked with an "X", your facility appears to be in compliance with the applicable regulations.

Should you have any questions regarding this inspection, please do not hesitate to contact Randy Ballard at 618/345-4606.

Sincerely,
